ENVIRONMENTAL SUSTAINABILITY AND EMISSIONS & ENERGY

Dawn InfoTek has set climate change and greenhouse gas emissions as one of its key priorities, and encourages all our contractors, and employees to follow tips including but not limited as below to adds up to big energy savings on company office and clients' offices.

-  **Switch it Off** - Turn off the lights when natural light is sufficient and when leave the room.
-  **Climate Control** - Keep the temperature system on a moderate setting while in the office.
-  **Give it a Rest** - Power computer down when away. A computer turned off uses at least 65% less energy than a computer left on or idle on a screen saver.
-  **Take the Stairs** - Use the stairs as often as possible. Elevators consume electricity.
-  **Switch to CFLs** - Compact fluorescent light bulbs (CFLs) use 75% less energy than incandescent light bulbs and last up to 10 times longer.
-  **Conserve Paper** - Print and copy on two sides, save single-sided pages for notes, and print only what is needed.
-  **Recycle** - To deposit aluminum cans, plastics, glass, office paper, newspaper and cardboard.
-  **Promote Reuse** - Donate used cell phones and chargers, furniture, clothing and cleaning and office supplies.
-  **Get a Little Exercise** - Consider walking or riding a bike to the office if the distance is reasonable. Walk from the bus or subway stop to the office.

DIVERSITY, EQUITY, EQUALITY & INCLUSION

Dawn InfoTek is dedicated to maintaining a diverse, equal, and inclusive work environment for all its stakeholders. We actively integrate diversity, equity, equality, and inclusion principles into the best practice procedures for hiring, developing, and engaging our employees. This helps us build a culture that provides equal opportunity and lifts up our employees with care and respect.

EMPLOYEE WELLBEING

The pandemic has caused widespread repercussions across various levels and transformed the way companies' function. Considering that most employees are in remote setups, Dawn InfoTek structures employee wellbeing initiatives based on these new dimensions to create a happy and engaged workforce. Dawn InfoTek has initiated employee wellbeing initiatives including but not limited to the following to promote holistic health.

We have launched a **Wellness Sponsorship Program** to reimburse the expenses related to fitness (equipment, supply, class, gym, etc.) to encourage employees get more exercise and keep fit.

Employee Wellness Program

Dawn InfoTek has initiated employee wellbeing initiatives including but not limited to the following to promote holistic health.

Encourage Employee Feedback

Ask the workforce what would help them achieve a greater sense of wellbeing. Get them involved in discussions about what they would find most beneficial.

Encourage Employee Feedback

Share tools that can help employees build efficiencies in the process and create realistic deadlines using time tracking software to make sure they can meet them easily.

Encourage Movement During the Workday

Ensure people aren't sitting for the entire workday, organize walking meetings, and insist people leave their desks for lunch. Alternately, set up 10-minute stretching sessions throughout the day in spare meeting rooms.

Implement Flexible Work Hours

Offer flexible working hours to help employees manage their time more effectively, particularly when it came to navigating childcare and reducing carbon footprints as part of wellbeing initiatives in workplace.

Foster a Supportive and Inclusive Workplace

Make HR policy in place so that staff know what to do if they need guidance around an office issue and hold meetings / workshops around equality in the workplace.

Ensure a Proper Office Workspace

Ensure the office workspace has good ventilation, plenty of light and a reasonable amount of room for each employee to spread out in.

DATA PRIVACY

Dawn InfoTek prioritizes the security of data systems and the ethical handling of data. We view our responsibility to safeguard the privacy of individuals that trust us with their personal information as a guiding principle. To honor this commitment, we empower our businesses to establish their own privacy practices in response to conditions within the niche markets they serve, subject to general, enterprise-wide guidance and mandatory compliance activities such as data mapping and self-assessments.

Privacy policies are reviewed annually and updated as necessary as part of the maintenance of our privacy program. Dawn InfoTek briefs our Board of Directors on our privacy-related activities, and we continue our efforts to mitigate risks through policy implementation or updates, data mapping, training, and enhanced engagement with our businesses. We improved awareness of our data footprint and are now better positioned to protect the privacy of our stakeholders. Dawn InfoTek remains committed to its operation as a conservative data holder, with strict controls in place limiting the use of targeted advertising and the sale of personal data.
